Trips will be cancelled if we don't have sufficient bookings to cover our estimated costs.

Bookings to be made at the office, payments to be made direct to the driver on the day.

If you have ideas for future trips, please do let us know!

If you need to cancel your booking, please call us as soon as possible as we often have people on a waiting list for our trips.

The Trip you wanted not on the list?

If you would like to go somewhere during the course of the year, for example to an event or shopping somewhere, please get in touch with us, as we may be able to find other people who would like to join you and enable us to run one of the buses. This is dependent on us covering costs and being able to get a volunteer driver. Price on application.
